***Adult Driving Contract***

I understand that driving sessions originate and end at the driving school unless other arrangements have been made.

By signing this contract, I agree to waive any “classroom” instruction.

This contract ***does not*** include being taken to the Secretary of State (DMV) office for my driving exam or to use our vehicles for the exam.

The cost of the entire 6 hour driving course is **\$300.00**.

If I pay for the entire 6 hour course prior to my first drive, I am entitled to a \$30 discount resulting in a final pre-paid cost of **\$270.00**.

I may not want to enroll for the full 6 hour course and instead wish to pay **\$50** for every 1 hour that I sign up to drive payable at the time of my drive.

***\* By signing below, I agree to the above terms and enter a contract with Tri-City Driving School.***
